

In Parish Tuition Policy

For school families wishing to apply for in parish tuition rate, the following policy was proposed and unanimously approved in the February 2016 Finance Board meeting. Any references to “parish” will mean Saint Bernard of Clairvaux Catholic Church:

For school year 2018-2019

1. Families must show active involvement in the parish life
2. Donate during the calendar year January 1, 2017 through December 31, 2017 a total of at least \$1,000.00 in regular collections; this will not include any donations made to special collections or to the Capital Campaign.
3. New parishioners who have registered in 2018:
 - a. Active in Parish life
 - b. Show consistent Mass attendance and contribution since the time of parish registration. During the calendar year 2018, they will be expected to meet donation requirements (\$1,000.00) if they wish to apply for in parish rate for the school year 2019-2020.

Note that the Pastor can, at his discretion (e.g. in cases of family hardship), make changes or exceptions to this policy. Any change or exception must be documented and a copy filed with the Parish Business Manager.
